Parade

The Mystic Krewe of Aquarius will celebrate its eighth anniversary with the largest procession in the Krewe's history. Aquarius will officially open the 1993 Mardi Gras Festivities on Saturday, February 13th at 12 noon. The Parade will begin at 14th St. and Seawall Boulevard and proceed down the famous and spacious thoroughfare to 59th St.

The theme of the Mystic Krewe of Aquarius's seventh annual Mardi Gras kick-off Parade will be "Broadway on Parade". Such classics as "South Pacific", "Camelot", and "Guys and Dolls" will be depicted in this 60 unit procession.

The Parade will include 10 marching bands. The Krewe will unveil 5 new floats which will bear the exquisitely costumed Royal Court and Maidens, officers and directors and over 100 costumed Krewe members. Reigning as Eighth Anniversary Royalty will be his majesty King Edwin Mikesh and her grace Queen Bettye Sartor.

Revelers will be showered by thousands of Aquarius-embled collectibles. The 1993 parade promises more pageantry and theatrics than ever before.

Each year during the morning hours before our parade costumed members deliver Mardi Gras souvenir gift bags to children at Galveston hospitals.

In addition we are honored annually to co-sponsor the "Special Peoples"

Mardi Gras Ball at Hope Arena.
