November 2009

Meeting Schedule

We will have only one meeting in November because of Thanksgiving. Mark your calendar for **Thursday, November 12**. Meetings are held at the KC Hall (1912 Winnie) and begin promptly at 7:30 p.m.

Newspaper Fundraiser

Danette Kerstens and Linda Davidson report that advertisement sales to help with costs for our large newspaper spread are slow. The KOA newspaper feature in the Galveston County Daily News will be published in late December and will showcase our Krewe and its Silver Anniversary celebration. Signature ads are \$5 each, and a special 2x3" size is available for \$50. We are asking all Krewe members to participate by selling (or buying) ads to help with the expense of this marketing effort. Let's pull together and help Linda and Danette make this too, a success.

Progress on our Floats

The Mystic Krewe of Aquarius USO Show

The Big USO Show is right around the corner. Curtain time is 8 p.m. on Saturday, November 14, at the KC Hall (1912 Winnie). There will be a cash bar, and our popular "Candy Girls" will be on hand selling snacks. This year's show will feature 25 acts with popular stars like Celine Dion, Barry Manilow, Barbra Streisand, Tony Bennett, Janis Joplin, our own Trailer Park Tammy to name a few. Also look for big curtain call acts from previous years like "Harper Valley PTA", "Big Panty Woman" and the "Vegas Divas". We hope all Krewe members will support this fundraiser, and bring your family and friends to enjoy an evening of fun and entertainment.

Pat Collier has plenty of tickets and is eager to sell them or get them to those who will sell them. Pat will be at the next meeting with tickets or you can reach her at (409) 771-8529. Tickets are \$10 each. Cast members, please remember to purchase your tickets from Pat.

What a Success!

Last month the Krewe held two major fundraisers, and both were very successful.

The annual **Garage Sale** on October 10th made more money than ever before according to Chair John Gonzales. He would like to thank all who donated items, who bought items, and all the volunteers who helped with the sale.

On October 16th, the Krewe held its second **Pub Krawl**. This was also a very successful fundraising event. Pat Saenz and Chip Shearrow chaired the event, and wish to thank all volunteers. They also ask Krewe members to continue to visit the downtown businesses that support our Krewe in hosting such events as the annual Pub Krawl.
